**REQUEST FOR RELEASE OF FUNDS**

On or about December 2, 2019 County of Orange, Housing & Community Development will submit a request to the U.S. Department of Housing and Urban Development (HUD) for the release of HOME Investment Partnerships (HOME) funds under Title I of the Housing and Community Development (HCD) Act of 1974, as amended, to undertake a development known as **The Crossroads at Washington**. A request will also be submitted to HUD, Office of Public and Indian Housing for the release of 43 Orange County Housing Authority (OCHA) Project-Based Vouchers as authorized under Housing Opportunity Through Modernization Act of 2016 (HOTMA). The development consists of the new construction of an 86-unit affordable housing development with 43 permanent supportive housing (PSH) units for formerly homeless households. Its purpose is to provide housing to families with incomes at 30 percent of the Area Median Income ("AMI") and to permanent supportive housing populations with incomes of 30 percent of AMI.

The units set-aside for homeless households will provide much needed affordable housing for the most vulnerable and at-risk individuals in the community. The proposed development total cost is estimated at \$39 million. The development is funded with approximately \$2,280,701 in HOME and/or Housing Successor funds and will utilize OCHA Project-Based Vouchers.

The development is located at 1126 and 1146 East Washington Avenue (APNs 398-092-12 and 398-092-14) in the City of Santa Ana, California 92701, currently owned by the City of Santa Ana and the County of Orange. The development site encompasses approximately 2.3 acres and the proposed buildings would be three stories in height with an architectural character featuring the Mission Revival style to reflect some of Santa Ana's history and the Southern California context. The development will consist of 16 studio units, 26 one-bedroom units, 22 two-bedroom units (including a manager's unit), 17 three-bedroom units and 5 four-bedroom units, of which 43 one-bedroom units would receive capital funding and OCHA Project-Based Vouchers under the 2016 PSH NOFA.

**FINDING OF NO SIGNIFICANT IMPACT**

Therefore, an Environmental Impact Statement under the National Environmental Policy Act of 1969 (NEPA) is not required.
