**REQUEST FOR RELEASE OF FUNDS**

On or about December 9, 2019 County of Orange, OC Housing and Community Development will submit a request to the U.S. Department of Housing and Urban Development (HUD) for the release of HOME Investment Partnerships (HOME) funds under Title I of the Housing and Community Development (HCD) Act of 1974, as amended, to undertake a development known as **The Groves Senior Apartments**. A request will also be submitted to HUD, Office of Public and Indian Housing for the release of eight (8) Orange County Housing Authority's Project-Based Vouchers as authorized under Housing Opportunity Through Modernization Act of 2016 (HOTMA). The proposed development is a new construction, 3-story apartment building consisting of seventy-five (75) units (74 rental units) for seniors, including homeless seniors. The development will consist of sixty (60) one-bedroom units, fourteen (14) two-bedroom units and one (1) three-bedroom manager's unit. Rents for ten of these one-bedroom units will be at or below 30% Area Median Income (AMI), with the balance of the units restricted at 50%, 60% or 70% AMI. The ten units restricted at 30% AMI would be assisted through the proposed \$567,000 County loan, and 8 of these rent-restricted units would receive Project-Based Vouchers.

The development will help address the need for permanent supportive housing in the County of Orange by providing ten units of newly constructed housing with supportive services, which will be affordable to formerly homeless persons earning 30% of Area Median Income, within a larger seventy-five (75) unit affordable senior housing community.

The property is located at the northwest corner of Camino Capistrano and Juniper Serra Road, near the I5 Freeway. Surrounding or nearby uses include Silverado San Juan Capistrano Memory Care Community, a senior living facility; uses related to JSerra Catholic High School, Kaiser Permanente medical offices, and a rail line and right-of-way owned by the Orange County Regional Rail Authority. It is currently zoned VHD (Very High Density) which allows development of 30 units per acre.

**FINDING OF NO SIGNIFICANT IMPACT**

The County of Orange, OC Housing and Community Development has determined that the development will have no significant impact on the human environment. Therefore, an Environmental Impact Statement under the National Environmental Policy Act of 1969 (NEPA) is not required. Additional project information is contained in the Environmental Review Record (ERR) and can be viewed at <http://www.occommunityservices.org/hcd/community> or on file at
